#schoolsforcleanwater

## Help Our School Win a Cash Prize!

Do you have a curbside storm drain near your home? If so, you can help our school win the Schools for Clean Water Contest! Simply visit [www.SchoolsForCleanWater.org](http://www.SchoolsForCleanWater.org) between Oct. 16th and Nov. 3rd and take the online pledge to adopt a neighborhood storm drain, then assign your pledge to our school!

## Schools for Clean Water Contest Details

**Contest dates?** October 16th to November 3rd, 2023

**How do I pledge?** Visit [www.SchoolsForCleanWater.org](http://www.SchoolsForCleanWater.org) to pledge.

**How does my school win?** The schools that collect the most pledges win the top prizes. Schools with 50+ pledges are entered into the drawing for one of five \$250 Wild Card prizes.

**Who can pledge to adopt a storm drain?** Anyone over 18 can pledge to adopt a storm drain (parents, friends, neighbors, family).

**Why participate?** Trash and leaf litter collects on storm drain grates, contributing to street flooding and pollution in local streams. When you adopt a storm drain, you help your neighborhood and our school.

**Who is sponsoring this contest?** The Alliance of Downriver Watersheds is holding this contest to help keep local waters clean.

When you adopt a local storm drain, you are pledging to keep an eye on it. When you notice that it's blocked by leaves and litter, grab the kids, a bag, gloves, and clean it up.

## CONTEST PRIZES

**1ST PRIZE: \$1500**

**2ND PRIZE: \$1250**

**3RD PRIZE: \$1000**

**WILD CARD X 5: \$250**

**Alliance of  
Downriver Watersheds**
