

# SCHOOLS FOR CLEAN WATER

Oct 16 - Nov 3, 2023

#downrivermichigan  
#schoolsforcleanwater

## Extra Credit Activities

This year we will offer Extra Credit Activities. The activities are voluntary and provide an easy way to become eligible for entry into the Wild Card Prize Drawing. They also give students a chance to get involved in the contest. Submit your extra credit online: [www.SchoolsForCleanWater.org](http://www.SchoolsForCleanWater.org)

## Student Pledge Poster

Students at eligible schools sign and submit a Student Pledge Poster. When they sign the poster they promise to do their part to keep trash out of local storm drains.

- Signed posters are worth 50 extra credit pledges.
- Students can sign our pledge poster, or work together to make one of their own (creative submissions are encouraged).
- There is no minimum number of signatures required for credit.
- A photo of the signed poster must be submitted before the contest closes.
- Each school can earn a maximum of 50 extra credit pledges this way.

## Blue Shirt Day

Educators at eligible schools organize a "Blue Shirt Day" during the contest period to support clean storm drains in the ADW. On that day students/staff wear the selected color shirt.

- Blue Shirt Days are worth 100 extra credit pledges.
- Schools can hold their Blue Shirt Day on any day they choose during the contest period.
- There is no minimum number of Blue Shirt Day participants required for credit.
- To earn credit for participating, the school must submit a group photo of students wearing blue shirts prior to the close of the contest.
- Each school can earn a maximum of 100 extra credit pledges this way.
